

Eaglecrest G.C. CoVid19 Policies & Procedures March 16/20

General Measures

- We ask all members and patrons who are returning from a winter away or any travels for that matter to self isolate for 14 days immediately following your arrival.
- If you show any symptoms at all, we ask you to self isolate and call your family physician immediately.
- Wash hands regularly, don't touch your face, mouth, nose or eyes with unwashed hands.
- Practice social distancing.....keep a 6 foot space around you.

Measures on the Golf Course

- All play will now be with the flagstick in only. This will create one less surface we all must touch.
- Following your round, a tip of the cap will replace the customary handshake.
- There can only be 1 rider in each powercart. We have for many years only charged by the seat, so this is not a cash grab!

Pro Shop Measures

- We request no more than 2 patrons + 1 staff in the pro shop at the same time.
- We request all transactions be done via a card. This will result in less handling of cash for the staff.
- The credit card machine will be wiped after each transaction. Consider Think having one person check everybody in, then e-transfer funds to the check-in person to square up.

Clubhouse Measures

- In an effort to keep you well, we would you like you to reconsider post round gatherings.
- Our bar & kitchen will remain open at this time (as per posted hrs.). We will create more space between tables & chairs to create comfortable social distancing.
- Please do not line up for drinks or to pay, keep your space at these times.
- Again, we request all transactions be done via card. The machine will be wiped after each transaction.

Obviously, this is a very fluid situation. Thus, these policy & procedures can change in a moments & without notice.

We will do our best to keep updated any changes if they arise.

Thank You for your cooperation!!
